**TITLE 405 OFFICE OF THE SECRETARY OF
FAMILY AND SOCIAL SERVICES**

LSA Document #01-59

Under IC 12-8-3-4.4, LSA Document #01-59, printed at 24 IR 2524, which amends 405 IAC 5-20-8 to limit the number of units of psychiatric diagnostic interviews per provider, per recipient, per twelve (12) month period of time, to one (1) unit. All additional units require prior authorization. Two units of psychiatric diagnostic interview per provider, per recipient, per twelve (12) month period of time, is permitted without prior authorization if the recipient is separately evaluated by both a physician or HSPP and a midlevel practitioner. The amendment also adds the requirement for prior authorization for all units of neuropsychological and psychological testing when provided by a physician or a HSPP, was adopted by the Office of the Secretary of Family and Social Services on June 21, 2001. The rule which was adopted is the same version as the proposed rule which was published in the Indiana Register on May 1, 2001.
